Subject: Microsoft Settlement

Hi,

I wanted to notify you on my disgust with the current settlement pending for the Microsoft Trial. Personally I feel this settlement is no more then a slap on the wrist. This is not Microsofts first offense of anti-competitive practices. Personally I feel barring the idea of a Microsoft break-up was poor decision. Personally I feel breaking up Microsoft is one of the only ways to solve this problem. It was done to IBM, AT&T, and others so why was that option removed for the Microsoft case. Personally it looks like favortism to me.

Thank you for your time reading this.
